ENGLISH TITLE
English-Chinese Translation Workshop

CHINESE TITLE
英譯中工作坊

NUMBER OF UNITS

DESCRIPTION
This workshop helps students to improve their translating abilities through class discussion. Different concepts and methods of translation are covered in the course. Under the supervision of the teacher, students are required to conduct a presentation on the translation of a text of their choice. They are also required to discuss in class their translation of the texts recommended by the teacher.

COURSE OVERVIEW
This course allows students to integrate theory and practice in translating an extended English passage into about 4,000 characters. They could apply relevant theories to explain their own translation approach and strategies, and comment on those of their classmates, so as to become articulate translation commentators. In addition to being honed in translation and language skills, they could be more aware of the cultural issues involved, and the decision-making process in translating. The collaborative arrangement also enables them to learn from one another.

LEARNING OUTCOMES

Expected learning outcomes

- identify potential problems in translation between English and Chinese;
- use appropriate critical concepts to analyze translations;
- explain decisions about translation strategies;
- discuss a particular approach to translation in a coherent manner;
- confidently revise and improve translations done by themselves or others.
Implication for learning activities

After some instructions at the beginning weeks, students will take turns to present their translation, and comment on another classmate’s work. Ample opportunities are provided for discussion of their work and others’ opinions.

Implication for assessment

Assessment is based on the final translation, presentation and commentary, as well as class participation. With a training focus on the analysis of translation, the last three components carry higher weighting.

**Policy on Penalties for Late Submission of Written Work**
Late submission of written work 1-7 days: Minus ONE Sub-grade.
Late submission of written work beyond 7 days: The work will be given a failure grade.

ACADEMIC HONESTY AND PLAGIARISM

Attention is drawn to University policy and regulations on honesty in academic work, and to the disciplinary guidelines and procedures applicable to breaches of such policy and regulations. Details may be found at [http://www.cuhk.edu.hk/policy/academichonesty/](http://www.cuhk.edu.hk/policy/academichonesty/).

With each assignment, students will be required to submit a signed declaration that they are aware of these policies, regulations, guidelines and procedures. In the case of group projects, all students of the same group should be asked to sign the declaration, each of whom is responsible should there be any plagiarized contents in the group project, irrespective of whether he/she has signed the declaration and whether he/she has contributed directly or indirectly to the plagiarized contents.

For assignments in the form of a computer-generated document that is principally text-based and submitted via VeriGuide, the statement, in the form of a receipt, will be issued by the system upon students' uploading of the soft copy of the assignment. Assignments without the properly signed declaration will not be graded by teachers. Only the final version of the assignment should be submitted via VeriGuide.

The submission of a piece of work, or a part of a piece of work, for more than one purpose (e.g. to satisfy the requirements in two different courses) without declaration to this effect shall be regarded as having committed undeclared multiple submission. It is common and acceptable to reuse a turn of phrase or a sentence or two from one’s own work; but wholesale reuse is problematic. In any case, agreement from the course teacher(s) concerned should be obtained prior to the submission of the piece of work.
